WHITE EDITION

Our special passion!

With the **HÜPPE White Edition**, you can experience a colour selection that brings lightness and modernity to the bathroom. White is a colour tone that adapts to the room and at the same time makes it shine. The minimalist design underlines the value of our products and ensures a modern shower area. **HÜPPE** offers limitless design possibilities, even for the most unusual wishes!

- > Available from summer 2022
- > Available in the product series **Design pure, Select+, Solva, SolvaPro and other selected series**
- > Orderable with colour code **182**
- > Surcharge same as for Black Edition

HÜPPE Select+

Bathrooms can be planned. Life can't.

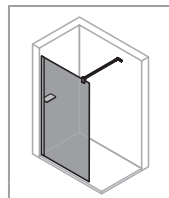

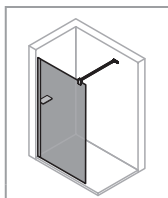

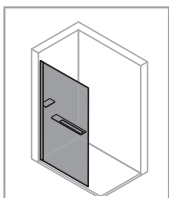

In addition to selected series, the **HÜPPE White Edition** is also available for the **HÜPPE Select+ organisers**. This enhances the look and functionality of light-coloured shower areas.
